PRODUCT DATA:

DESCRIPTION:

Top filling kit for multiple soap dispensers. Supports up to six soap dispensers and can be combined with deck mounted or wall mounted soap dispensers.

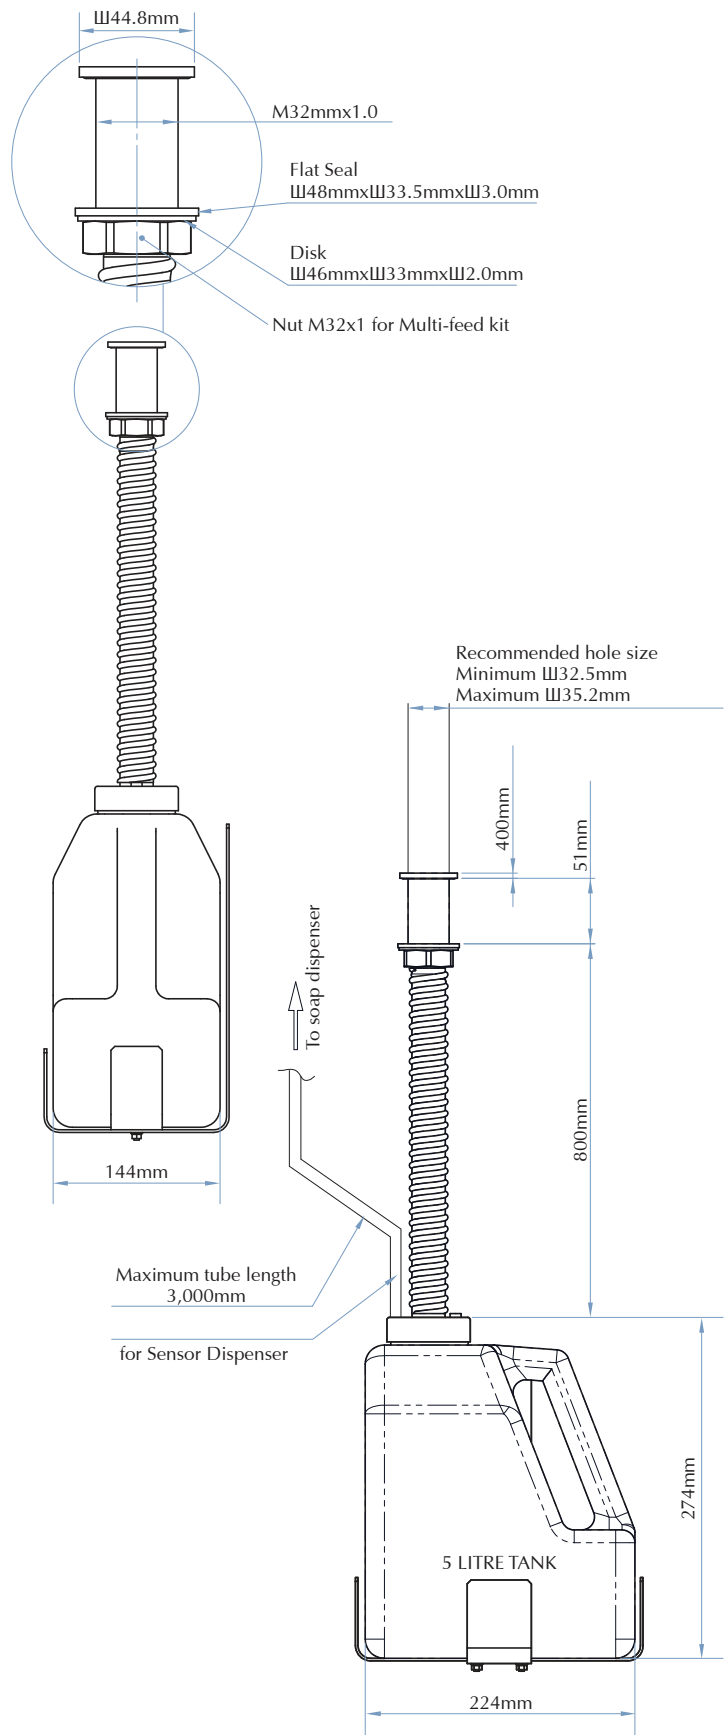

Includes a 5 litre soap tank and top filling mechanism with anti-theft cover.

Lockable top button in high quality chrome plated finish.

Optional 5 litre tank support.

APPLICATION:

The top filling multi-feed soap dispenser kit is simple, clean and quick to install. Helps to ensure that the bathroom stays organized and neat and also provides a germ-free and automated environment. A perfect combination with Bradley's soap dispenser models.

USE:

To fill in the soap tank, simply open the top filling cover using the special key provided and pour soap in. No need to remove the container from below the counter. Lock with allen key.

GUIDE SPECIFICATION:

Top filling kit with anti-theft cover and lockable top button in high quality chrome plated finish.

PRODUCT ADVANTAGES:

- Vandal-resistant chrome-plated top-filling brass mechanism
- Allows up to six soap dispenser connections
- Drastically reduces soap consumption
- Hygienic - no physical contact
- Easy installation
- Fast and simple refill
- Highly durable
- Reservoir can be hidden in access panel
