1 Litre

Model 6333 (Liquid): We recommend Bradley model AM6010

Aqua Marine liquid soap for optimum operation and performance.

(AM6010: 1 litre bottle = 1,000 shots). When using AM6010

exclusively the 6333 dispenser will carry a lifetime warranty.

OPERATION:

Touch free electronic soap dispenser for counter top mounted installations. Activated by infrared sensor and closes automatically when hands removed, without dripping, ensuring a clean environment.

Remote control option for soap quantity selection, soap refill, ability to temporarily disable sensor and restore factory settings. Please see additional warranty for exclusions.

INSTALLATION:

Counter top mounted soap dispenser.

Power source: 12 V transformer

Default soap dosage: 1.4 cc

Soap viscosity: 100-3800 cPs

Prime dispenser prior to use.

300mm clearance required from bench top or basin.
